BEGINNER RIDING TEST F — 2001

A whip may be carried but spurs are not allowed.

Bridle: ordinary snaffle
 Arena: 40 x 20 metres
 Time: 3 mins approx
 (Suggested Schedule Time 5 mins)

NOTE TO JUDGES:

The object of this test is not so much to see how well trained the pony is but to see how correctly the rider applies the aids and the reaction of the pony to these aids. Working paces are not expected. In canter movements providing the correct aids are given it would be feasible to award half marks, even if the pony canters on the wrong leg.

Please Note: Rider mark out of 20 (not 10 x 2)
